

Research Seminar

On Process Capacity

Dr. Milind Dawande

Mike Redeker Distinguished Professor of Management and
Area Coordinator of the Operations Management Group at
the Naveen Jindal School of Management
The University of Texas at Dallas

Friday, April 23, 2021

11:

Abstract: In this talk, we will discuss recent work on the notion of the capacity (or long-term
discussed in textbooks to illustrate the calculation of the capacity of a process: the
capacity of each resource is first computed by considering that resource in
isolation; the bottleneck resources are those with the least capacity, which is
defined to be the capacity of the process. It is now well
