Getting sick is never convenient, and finding time to get to the doctor can be hard. Blue Cross and Blue Shield of Texas (BCBSTX) provide a convenient, coordinated dependent access to care for non-emergency medical issues through MDLIVE.

Whether you're at home or traveling, access to an independently contracted board-certified doctor is available 24 hours a day, seven days a week. You can speak to a doctor immediately or schedule an appointment based on your availability. Virtual visits can also be a better alternative than going to the emergency room or urgent care center.

MDLIVE doctors can help treat the following conditions and more:

- Allergies
- Asthma
- Nausea
- Sinus infections
- Cold
- Flu
- Ear problems
- Pinkeye
