SMU RFP for Title IX Gender Equity Review Questions & Responses

SMU RFP for Title IX Gender Equity Review Questions & Responses

SMU is open to negotiation of specific terms and conditions but requests that exceptions to the standard contract be identified in the RFP response as note Section 4.0.	•
No.	
4.0 Proposal Content Requirements	RFP Section:
No. The selected firm's RFP response will become Exhibit A of the negotiated	d contract.

If subcontractors are to be used in the engagement, the subcontractors, and their scope of work, should be clearly identified in the prospective firm's RFP response. If a subcontractor is added after contract execution, the contracted firm will need to submit a written request to

the identified SMU representative for the addition.
